SEMEN EXPORT RELEASE OF LIABILITY

I, _____, fully understand that ICSB Kentucky cannot be held responsible or liable for any delays in shipment due to time delays with Federal Express, any customs or government office, any airline if shipping other than Fed Ex or the services of any hired brokerage service or agent. All semen delivery dates are estimates which have been provided to ICSB Kentucky by these agencies.

Occasionally there are weather/flight delays, paperwork processing delays or the requirement of additional paperwork for customs clearance releases. I have been advised that extended time delays (over 2 weeks) or errors on the part of the customs agents may cause semen damage or destruction. I understand these are beyond the control of ICSB Kentucky and not the financial responsibility of ICSB Kentucky. ICSB Kentucky agrees to promptly provide any necessary paperwork to the shipping company (i.e.: Fed Ex) or a customs office in the event it is needed or required to expedite the clearance release and delivery.

This shipment will be insured by ICSB Kentucky to cover ONLY the shipping tank replacement in the event of damage/loss during shipping. **Additional insurance to cover the value of the semen may be purchased. If you desire to add insurance please indicate how much you would like to insure on the semen release form.**

I agree to hold ICSB Kentucky, Dr. Tanya Ross, and employees of ICSB Kentucky harmless in the event that these delays occur. I am releasing ICSB Kentucky of any liability due to these circumstances.

By my signature below, I am declaring I have read and agree with the above.
